Bowling, of the University of Illinois, who is engaged in an elaborate index of the rescue controversy, with regard to John Smith and Pocahontas, hoping to thoroughly index all material of importance both assisting and defending the story. He writes that he has a copy of the 1624 edition of Smith's history, and offers to have it photographed at the page on which the rescue story appears, for the A. P. V. A.

A letter was read from Dr. Charles W. Kent, of the University of Virginia, asking if there was a branch of the Association there, and mentioning the

fact that there were several things around there that should belong to the A. P. V. A.

Mrs. B. O. James, chairman of the membership committee, reported that Henry W. Anderson had become a life member, and also that the little twin cousins of Miss Virginia Miller, directress of the Washington branch, had been made life members. They are William W. Lloyd and Rose Packard Lloyd, of Wilmington, Del. Annual members reported are Mrs. Rena Smith, Tomsen, Yorkers, N. Y.; Mrs. J. Scott, Parrish, Mrs. George E. Winch, Mrs. Royal E. Turpin.

It was decided to hold the annual tea on the afternoon of Friday, April 20, at the John Marshall House. Mrs. Horace Wellford Jones will be hostess in charge of the arrangements.

Mrs. E. E. Moffitt offered the following resolution, which was unanimously adopted:

"As members of the Association for the Preservation of Virginia Antiquities we pledge our hearty moral support to the President of the United States in his effort to protect American rights against unlawful invasion, and guarding our nation against hostile attack, both on land and sea, and upholding international right and upholding the standards of liberty as designed by our forefathers of this republic, and to cultivate the arts of peace, human brotherhood and higher civilization."
